Dear Parents and Carers,

On Thursday 16th October, The Green Room School will take all pupils on our first 'Collective Trip' of the year, to Thorpe Park. These full school trips are a chance for pupils to step outside the classroom and share a unique, memorable experience together. 'Collective Trips' are specially designed to blend excitement with engagement, offering a fun-filled day that naturally encourages social interaction and collaboration.

Pupils are to arrive at school at the usual time and once all pupils are in we will all leave in our school minibuses. We will be parking at the Theme Park car park. There will be plenty of staff attending the trip and they will accompany pupils around the park in small groups throughout the day. Pupils have the option of taking a packed lunch, which they can either arrive with or make once they get to school. Alternatively pupils may bring some money for lunch and or any gift shop items they may wish to purchase. Pupils will return to The Green Room for the end of the day and usual transport home.

Trips are seen as a vital part of a young person's education and we strive to provide as many enrichment opportunities as possible.

More details on the venue can be found here: <https://www.thorpepark.com/>
