## Berlin Trip - October 2023

Dear Parents and Carers,

Here at The Green Room School we pride ourselves on being audacious. We believe in the value of education in and beyond the classroom. Trips are seen as a vital part of a young person's education and we strive to provide as many enrichment opportunities as possible. It is important that young people appreciate the world beyond their local area and we hope to give them the inspiration and confidence to travel and explore other cultures to broaden their horizons.

In line with our curriculum collapse journey through time, we will be looking at World War II in the week before October half term 2023. It presents a great opportunity to offer your young person the chance to visit Berlin!

The three-day trip will be focused on visiting world renown sites as well as places of significance from World War II (please see suggested itinerary overleaf). If your young person is interested in this experience and would like to join us on this trip please accept our invitation to an information evening 6pm till 7pm on 19 April 2023 at The Green Room Windsor on Albert Street. Please feel free to contact us if you have any questions or can not attend but would like to receive any additional information.

### Costs and passports

A contribution of £400 is payable by September 30, 2023 with the school funding the other 50% of the total cost per person. The cost will cover transport (including flights), accommodation and food as well as entrance fees to all sites. Please feel free to contact us if you would like further support with funding a place for this experience.

Your young person will need a valid passport up to and including April 2024. If you require support with passport applications please don't hesitate to contact us. They may also want their own spending money for extras and so would require Euros.

An initial, non-returnable deposit of £100 will be required by 28 April 2023 to secure a place, with the remaining balance due by September 30, 2023.
