## Latest News and Events From The Green Room December 2014

It's the last day of term already, Christmas is next week and to finish off the year we held another very successful Christmas Market, which everyone really enjoyed. There were some lovely stalls, Santa and his grotto were fab, kids loved

the face painting, gingerbread decorating and making reindeer food, and the games stalls were so successful, they alone raised over £200 which meant The Boss got a pie in the face to celebrate! Everyone worked really hard to make it a great event, and the whole place looked

amazing, particularly The Green Room stall and the cake stall, so well done!

### Allotment

In other news, the allotment is now looking really good, a shed has been built, a runner bean climbing frame has been

constructed and they have started to plant winter plants such as onion, garlic, rhubarb, strawberries and lettuce, all covered with frost netting and grown in plant beds made of recycled pallets.

## Drama

Drama class has been very busy creating their very own version of Disney's Frozen which will be performed at Trinity St Stephen School on Friday the 13th February.

## Make Do And Mend

Pupils in the Make Do and Mend session have been getting creative with some old clothes, taking up a pair of jeans and changing a gown from long to short to get some more wear out of them.

## Technical Theatre

The Technical Theatre class have been sorting out the studio, preparing it to become

drama studio with dark walls and a stage and looked at making their own models for the drama class' Frozen performance

## Sport

Sport has been fantastic this term with the introduction of benchball, badminton and uni-hock, pupils have been developing their core skills, catching, throwing and movement and fitness levels have improved all round!

## Project Friday

On remembrance day the pupils spent the day learning about World War I, conducting their own investigations into The Somme and other great battles of the war, working on factsheets, and exploring their own historical connection to the war. They also made poppies out of various materials in different styles, which were displayed on the door to our studio.

Joe was very proud of the way all the pupils conducted themselves during the two minute silence whilst watching similar scenes up and down the country on the TV, as the news portrayed images of The Tower Of London, Westminster Abbey, The Cenotaph, Trafalgar Square and various churches, schools and military bases all over the UK.

Finally, everyone is off to Ali Gardens today to soak up some Christmas atmosphere and go ice skating, what a lovely way to end the term.

*Merry Christmas and  
Happy New Year,  
See you all next term!*

Term Dates - Spring Term 2015

Term begins - Wednesday 7th January

Half term - Monday 16th February - Friday 20th February

Return to School - Monday 23rd February

Last Day of term Wednesday 1st April
