The Green Room Games, 26 March 2025

Dear Parents and Carers,

We are delighted to announce the inaugural **Green Room Games**, an exciting foundation-wide sporting event that will see students from all three Green Room Schools come together for a day of fun, friendly competition, and community spirit.

The event will take place on **Wednesday, 26th March**, from **11:30 am to 1:30 pm** at the **Thames Valley Athletics Centre**. More information on the venue can be found [here](#).

Students from The Green Room Windsor and The Green Room College will travel to and from the venue via minibus. The Green Room Kingsley (GRK) students will travel via a hired coach that will leave GRK at 10am, so punctuality on that day will be greatly appreciated. All pupils will return to school for their normal transport home.

Lunch, beverages and snacks will be provided. All pupils will also be accompanied by The Green Room staff at all times. Participation in the games will be encouraged, though provisions will be made for pupils who prefer quieter options. Information about the venue and the games on offer has been shared with the pupils at school

We hope that The Green Room Games will foster a **healthy sense of competition**, encourage **camaraderie**, and promote **physical and mental well-being**. Through benchball, dodgeball, track and field events and cheering from the stands, students will have the opportunity to engage with their peers, build teamwork skills, improve their resilience as well as win points for their houses!

We are looking forward to spending a fun-filled day with your young person. If you have any questions please do not hesitate to contact your school office via email or telephone.

Best regards,

Lexie Sparks
Director of Operations
