Year 10 Parents' Evening

Dear Parents and Carers,

The Green Room School warmly invites you to a Year 10 Parents' Evening on Wednesday 8th of March, from 6-7pm at The Green Room School, Windsor.

The Parents' Evening is a fantastic opportunity for parents to catch up on pupils' progress, get updates from teachers and be informed of upcoming events.

Parents and carers will have the opportunity to speak to all subject teachers should you wish, as well as the pastoral team. There will not be any timetabled slots but all subject teachers will be available for you to speak to.

Please let us know if you will be able to attend by sending a response to office@thegreenroomschool.com or calling the office at 01753 866711.

Thank you very much and we look forward to hearing from you.

Best regards,

Callum Flanagan
Head of School
