

# the GREENROOM school

4A Albert Street, Windsor, Berkshire, SL4 5BU [www.thegreenroomschool.com](http://www.thegreenroomschool.com) 01753 866711

Tuesday, 5th March 2024

Dear Parents and Carers,

On Friday 22nd March, our Year 10's have the opportunity to explore an amazing interactive gaming exhibition at the Science Museum called *Power Up!*

Our Year 10 cohort participate in Gaming lessons on a Friday and we feel that this exhibition will further enhance their gaming knowledge. Pupils will have the opportunity to investigate computer games from the past 5 decades and also play in groups on interactive platforms.

On Friday we will take our school minibus to Slough station and catch the train to Paddington, where we will change on to the circle line and travel to the Science Museum.

Pupils will have the option of a provided packed lunch or can bring their own. Staff will be accompanying pupils at all times. We will return to school and assume regular lessons prior to normal pick-up/home time.

More information about the gaming exhibition can be found here:

<https://www.sciencemuseum.org.uk/groups/power-up-school-info>

If you have any questions, comments or suggestions in regard to the day please do not hesitate to contact me at [callum@thegreenroomschool.com](mailto:callum@thegreenroomschool.com) or call the school office at 01753 866711.

Regards,

Callum Flanagan  
Head of School
