Dear Parents and Carers,

On Tuesday 1st April, as part of Curriculum Collapse week where we are focusing on '**The Future**', we will be visiting the Science Museum in London.

Pupils are to arrive at The Green Room at the usual time and will depart at 10:00am (or as soon as all pupils are in). We will be getting a lift in the school minibus to Slough train station, where we will catch the 10:32am train to London Paddington, then take the District/Circle line to South Kensington Underground. From there, we will take a short walk to the Science Museum.

Our Museum Admission slot is 11:30am - 12pm where we will explore in small groups, supported by staff. At 12:30pm, we will enjoy a packed lunch, prepared by the school.

At 1:15pm, we will leave the Science Museum and catch the train from South Kensington Underground at 1:40pm to Slough (via London Paddington) arriving at 2:24pm. The school minibus will be there to meet us and bring all pupils and staff back to the Windsor Leisure Centre car park in time for the usual Home Time.

We are really looking forward to going to the Science Museum and we sincerely hope this unique experience encourages our pupils to work towards achieving a well rounded education. More details on the venue can be found here: www.sciencemuseum.org.uk/files/SensoryMap.pdf

If you have any questions please do not hesitate to contact Callum at callum@thegreenroomschool.com or call the office at 01753 866711.

Regards,

Callum Flanagan
