Friday 14th November 2025

Dear Parents and Carers,

On Monday (24th November) our Year 12 PBL groups will be walking the short distance to visit our friends at [Windsor Auctions](#), where the owner and auctioneer Harry will welcome us for a tour of the sale room and give a talk on the antiques and auctions business, with a focus on what is currently trending in the world of collectibles and auctions.

The following day, Tuesday, 25th November, as part of the same project, we will be visiting the Sunbury Antiques Market at Kempton Racecourse. This market has been running for over 40 years and is recognised as one of Europe's premier antiques markets.

During the visit students will be allocated a small sum of money to purchase an item of their choice. This will then be auctioned in a professional sale at Windsor Auctions. Hopefully, all our students will make a profit, and whoever makes the most will be crowned *GRC Bargain Hunt Champions 2025!*

This is part of our Bargain Hunt PBL project, our version of the popular daytime TV show. We've run this project for 5 years now and it's designed to be a fun and unique way to allow students develop competency in Communication, Initiative and Community; all part of our [ROCCIT](#) framework for personal development. It also allows students to socialise in a unique environment, compete in a real world challenge, and meet people who are pursuing their interests and fascinations whilst making a living from it.

Neither visit next week will require any change in transport. On Tuesday we will depart and return via minibus within normal school hours. Packed lunches will be provided but students may want to bring a small amount of money to purchase any refreshments at the market, or if they wish to purchase any item for themselves.

If you have any questions please do not hesitate to contact me at
matthew@thegreenroomschool.com or call the GRC phone at 07723 632556.

Regards,

Matthew Allen
Curiosity Lead, GRC
