Dear Parents and Carers,

In preparation for the many end-of-year activities planned for the pupils, and following our very successful Green Room tradition, we have organised a series of fundraising events your child can sign up to. These events allow pupils to learn invaluable skills in communication, responsibility and accountability. Their voluntary work also adds considerable weight to subsequent job and college applications.

All money raised will be used to fund The Green Room Fest, an annual year-end celebration for all pupils, and the school's inaugural Green Room Expedition, which will involve pupils in the Sixth Form. We are delighted that Barclays Bank have kindly agreed to double any amount raised.

Our first fundraising event involves two bag packing days at Waitrose supermarket in Windsor, where pupils will pack customers' bags in exchange for charitable donations. Bag packing will be held on **Saturday 9th of June 2018 & Saturday 16th of June 2018**. Pupils can sign up for either a morning or afternoon shift on both days. They can also volunteer themselves for the entire day. They will be accompanied by staff who will also be volunteering their time to help raise money.

Morning shift - 10.00am to 1.00pm

Afternoon shift - 1.00pm to 4.00pm

Our second event will be a sponsored dog walk where pupils will walk 8 miles around the Windsor Great Park. A sponsor sheet is attached to this letter. Each pupil has been given a target of raising a minimum £20.00 each by asking family members and friends for small donations. All donations will be put towards the two trips at the end of this year. The sponsored dog walk will take place on **Thursday, 14th June 2018** during regular school hours.

Should you require any more information on our end-of-year events or our fundraising activities, please do not hesitate to me. Thank you for your support.

Regards,

Daniel Jacobs
