20th November 2026

GRC & GRW Winter Fayre

The Winter Fayre is one of the community events that the Green Room hosts during the year. It's an opportunity for us to connect the two provisions of GRW and GRC, giving students the chance to work together forming stronger relationships; as well as being an opportunity to be part of The Swan and wider Windsor community.

This year it will be on **Friday 4th December from 5-9pm at The Swan Pub, Clewer.**

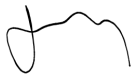

Staff and students from both provisions are working hard to plan games, produce food offers and make products to sell as part of Enterprise lessons.
There will also be the opportunity for students to support the event by volunteering on the day to set up the fayre and/or run a stall. A brilliant opportunity for students to gain experience being part of the wider community and the world of work with the reassurance of being supported by familiar staff.

We also need people to come and join in the fun of the fayre so we would love it if you or other family members and friends would like to come and support us by attending. Why not share the poster and gather a group to enjoy some food, fun and entertainment provided by our amazing students.

So save the date and keep an eye out for any social media updates over the coming weeks. **Instagram**: @thegreenroomschoolwindsor **Instagram**:@thegreenroomcollege

If you're able to donate, we would appreciate donations of gift wrap candy canes, and chocolate money or anything we can add to the raffle and any good quality pre-loved books.

Yours Sincerely,

Jenny Thorn
Enterprise Leader
