Curriculum Year Map 26-27

		Year 7	Year 8	Year 9	Year 10	Year 11
BUSHCRAFT	Autumn	Play outdoors Introduction to basic fire lighting techniques Animal shelters/bug hotel rebuild Introduction to bushcraft, Whittling and fire Rules, housekeeping, responsibilities	Fire Safety recap Fire independence Whittling recap Whittling and fire / Play Christmas fayre Cooking bread Den Building Foraging Climbing Play	Contribute to Christmas Fayre Building a bridge Team building Flora, fauna- Tree identification, measuring trees, bark rubbing, nature mobiles Animal habitats - bug hotels, wood piles, bugs	Contribute to Christmas Fayre Tracking poetry cooking animal traps stone cairns	Tool maintenance Knots Tool maintenance, woodwork, big tools, ropes and tarps, swedish logs
	Spring	Fire and whittling Growth, new life, footprints Basic tools	Whittling Cats/gnomes Tools and ropes	Knife skills	Project - Ropes, swing, hammock	Walk, talk, mindful walking Forest bathing
	Summer	Group games cooking	Habitats Charcoal/Char Cloth Suncatchers/Bows Cooking	Perspective photos Woodburning pens Cooking	Animal viewing area Whittling cooking	Walk, talk, mindful walking

ANIMALS	Autumn	Orientation & introduction - Animal management - Site orientation - Animal induction - Routines - Exercising animals	Animal inspection - Animal health inspection - Weighing animals using Body Condition Scoring. Winter on the farm - Weather proofing - Asses animals feed in winter - Helping nature through the winter	Looking after our farm. - Site maintenance inspection - Stock take animal food - Health records for animal Winter on our farm - Trip Beale park - Care for animals in winter - All our animals ready for winter	Introduction to Btec LBS 6 - Caring for and feeding animals - Plan for the routine care and feeding of specified animals to ensure their needs are met. Unit LBS 6 LBS 6 - Caring for and feeding animals - Carry out routine care and feeding tasks that meet the needs of specified animals. - LBS 6 assessment -
	Spring	Looking after our farm - Litter pick - Enrichment for animals - Wildlife spotting Aqua care - trip maidenhead aquatics - Turtle care - Pond life - portsmouth aquarium	Looking after our farm - Site maintenance - Trip, Birdworld - Use ideas from Birdworld to help wildlife. - Planting for animals Bug Life - Bug life butterfly hatching - Build a bug area in chicken village	Environment and our farm - Trip Alice holt Compare our farm to a country park. - How do we affect the environment, good and bad? Wildlife on our farm Good and bad. - Birds on our farm - Reduction of vermin safely - Site maintenance	Unit A1 Being organised - Explore techniques own organisational skills - Review the use of techniques to improve own organisational skills - A1 assessment Unit LBS 15 Assist with the care and non - ridden exercise of horses - Assist with the care and exercise of horses - A1 assessment feedback Unit LBS 15 Assist with the care and non - ridden exercise of horses
	Summer	Spring on the farm - Lambing	Spring on the farm - Lambing	Spring on the farm - Lambing - camera traps	- Review a horse's care and exercise needs - LBS 15 assessment

		- springwatch - camera traps - Tracking Food To Fork. - Sky Park Farm - Where does food come from - End of year assessment	- springwatch - camera traps - Tracking Food To Fork - Butchery - Lockey farm reading - End of year assessment	- Tracking Work on the farm - Farm harvest - Explore selling services farm services	Btec Reflection - LBS 15 Feedback - Preparation for summer
EQUINE	Autumn	Meet and understand how horses work - PPE - Induction to Equines - Equine behaviour - How horses make you feel How horses work and move - Moving Equines. - Working with Equine hooves - Introduction to non ridden exercise of Equines,		-	Btec options. *See animals for the year long term map.
	Spring	Equipment and living space of horses - Exercising Equines. - Introduction to trick training			

		Utilising skills Equine careers - Equine industry - Exploring areas horses use. - Looking after Equines in the field.			
	Summer	Horse Riding - 6 Lessons at a local riding school. Care of the horses - What is cruelty - Summer care - Class photo - End of year assessment	Horse riding - 6 Lessons at a local riding school.	Horse riding - 6 Lessons at a local riding school.	
HORTICULTURE	Autumn	Orientation • Site • PPE • Equipment and tools Eco warriors https://letsgozer.org/	Revisit orientation & Site Preparation • PPE • Equipment and tools • Allotment maintenance and close down Eco warriors https://letsgozer.org/	Site maintenance • Horticultural site inspections • Allotment maintenance and close down Eco warriors https://letsgozer.org/	BTEC LBS13 - Developing Estate Maintenance Skills • Routine estate repair and maintenance tasks • Following procedures to ensure safe working practices • Working with others
	Spring	Introduction to horticulture • Parts and functions of plants • What plants need to grow • Moving water • Fantastic flowers • Life cycle Water • Introduction to	Ready for Winter • Hotbeds • Heat mats • Internal seed propagation Land • Soil formation • Importance of soil • Crop tolerance	Ready for Winter • Hotbeds • Heat mats • Internal seed propagation Air • Pollinating plants • Insect pollination • Food security	LBS13 - Assessment Feedback A2 - Developing a Personal Progression Plan • Benefits and purpose of developing a progression plan • Finding out about progression opportunities • Setting a progression goal A2 - Assessment

		- water propagation - Water/pond plants Eco warriors - water collection https://letsgozero.org/	Eco warriors - waste management https://letsgozero.org/	Eco warriors - waste management https://letsgozero.org/	A2 - Assessment Feedback LBS8 - Growing Plants - Factors to consider when carrying out the propagation and establishment of young plants - Environmental requirements of seeds, seedlings, cuttings and rooted cuttings	
	Summer	Spring on the Farm - Introduction to horticultural maintenance - Revisiting tools and equipment Farm to fork - Where does our food come from - Harvesting - Seed collection End of year assessment	Spring on the Farm - Ongoing grounds maintenance - Protection from pests Farm to fork - Harvesting - Seed collection and storage - Farmers markets End of year assessment	Introduction to BTEC Optional Choices	LBS8 & AQUAS - Growing Plants - Practical skills in the propagation and establishment of young plants - Practical skills in the propagation and establishment of young plants LBS8 - Assessment LBS8 - Assessment Feedback - Preparation for Summer - Harvesting - Outdoor cooking	
MATHS	Autumn	Number Geometry 2D Shape Perimeter Angles (coordinates)	Number Geometry 2D Shape Area Angles (coordinates, transformations)	Number Geometry 2D Shape Area/Perimeter Angles (coordinates, transformations)	Number ELC	Geometry Statistics
	Spring	Statistics Measure	Statistics Measure	Statistics Measure	ELC Statistics Measure	Probability Number, Algebra Exam Preparation
	Summer	Geometry (3D Shape and transformations) Angles Probability	Geometry (3D Shape and transformations) Angles Probability	Geometry (3D Shape and transformations) Angles Probability and Ratio	Geometry (shape) Probability and Ratio Algebra	Exam Preparation

COOKING	Autumn	Introduction of cooking Hygiene and safe knife skills	Revisiting the eatwell plate and safe cooking, food wastage.	Recap on safe cooking creating autumnal menu.	BTEC Home Cooking Skills Unit 1:1 Planning nutritious, home-cooked meals using basic ingredients BTEC Home Cooking Skills Unit 1:2 Prepare, cook and present nutritious, home-cooked meals using basic ingredients	
	Spring	Christmas cooking vaganary , looking at vegan foods for the month, easter traditions.Christmas alternative cooking, outside cooking back to basic rations. Easter tradition breads and hot cross buns	Christmas alternative cooking, outside cooking back to basic rations. Easter tradition breads and hot cross buns	Christmas cooking Healthy eating breakfasts. Healthy alternatives	BTEC Home Cooking Skills Unit 1:3 Understand how to cook economically at home BTEC Home Cooking Skills Unit 1:2 Prepare, cook and present nutritious, home-cooked meals using basic ingredients	
	Summer	Cooking on a budget creating seasonal meals, how to prep and store foods safely.	Cooking on a budget. Seasonal cooking	Cooking on a budget creating meals on a low budget seasonal foods. Food cost going on food shopping trips	BTEC Home Cooking Skills Unit 1:4 Pass on information about cooking meals at home from scratch BTEC Home Cooking Skills Unit 1:2 Prepare, cook and present nutritious, home-cooked meals using basic ingredients	
ENGLISH	Autumn	Poetry Balanced Argument	Frankenstein - Diaries Letters Narrative Curiosity - Explanation	The Man who Walked Between the Towers - Diaries Macbeth - Poetry	Lamb to the Slaughter ELC - components 1 and 2	Coursework: Description Coursework: Article
	Spring	Rainplayer - Explanation Crime Mystery - Instructions Newspaper Report	Myths and Legends - Narrative Hidden Figures - Non-Chronological	Shackleton's Journey - Newspaper Report Persuasive Writing	ELC: Speaking and listening Gothic Stories: Narrative	Coursework: Narrative Exam Preparation

			Report			
	Summer	The Piano - Narrative Nonsense Animals-Non-chronological Report	King Kong - Newspaper Persuasive Writing	Kensuke's Kingdom - Non Chronological Report Explanation Writing	Room 101: Persuasive writing Lord of the Flies: Comparison of texts	Exams
SCIENCE	Autumn	Big History: From Big Bang to Modern Revolution	ELC Biology: Cells, Tissues, Organs Systems, Respiration, Digestion, Lifestyle, Infectious Diseases, WBC's, Medicinal Drugs, Endocrine Systems.		GCSE Biology: Cells, Levels of Organisation, Infection & Response, Bioenergetics, Homeostasis, Evolution & Ecology	
	Spring	Practical Lab Science: Chemistry & Physics	ELC Chemistry: Atoms & Elements, States of Matter, Chromatography, Metal Properties, Ores & Alloys, Polymers.	ELC Chemistry: pH Scale, Neutralisation, Earth Atmosphere, Rate of Reaction, Crude Oil, Burning Fuels, Human Impact on Atmosphere, Drinking Water	GCSE Chemistry: Atomic Structure, Periodic Table, Bonding, Chemical Changes, Organic Chemistry, Chemistry of Atmosphere & Using Earth Resources.	
	Summer	Practical Lab Science: Physics & Biology	ELC Physics: Energy, Forces, Radioactivity & Biology ELC: Photosynthesis, Food Chains, Decomposition	GCSE Physics: Energy, Electricity, Particle Model, Atomic Structure, Forces, Waves, Magnetism & Electromagnetism	GCSE Physics: Energy, Electricity, Particle Model, Atomic Structure, Forces, Waves, Magnetism & Electromagnetism	GCSE Physics & Exam skills & technique practice
CONSTRUCTION	Autumn	Explore and play with construction Introduction to tool skills	STEM - Scientific links in construction Introduction to soldering	Woodwork project - economic use of materials Upcycling	BTEC - Decorating an inside wall	

		Multiskills projects / xmas projects	Multiskills projects / xmas projects	xmas decorations Multiskills projects / xmas decorations		
	Spring	Developing tool skills to design and create a simple woodwork project. Multiskills projects	Pallet projects Community project Multiskills projects	Community project Introduction to BTEC skills Multiskills projects	BTEC - Building a wall	
	Summer	Festival prep - fairground game Multiskills projects	Multiskills projects Festival prep	Introduction to BTEC skills Festival prep	BTEC - outstanding work A1/A2 Festival prep Project based	
ART	Autumn	Basics of art. - What is art - Elements of art A time for giving - Making gifts - Card making - christmas fayre	Art in history - Explore how art has changed through history. A time for giving - Making gifts - Card making - Christmas fayre	Scrapbooking and printing. - different ways to record Ideas - Mixed media A time for giving - Making gifts - Card making - Christmas fayre	Introduction to Btec Unit AD5 - Creating a 3D object. - Research and select materials for a 3D art object Unit AD 5 Unit AD5 - Creating a 3D object. - Produce a 3D art Object - Unit AD5 assessment	Introduction to Btec Unit AD5 - Creating a 3D object. - Research and select materials for a 3D art object Unit AD5 Unit AD5 - Creating a 3D object. - Produce a 3D art Object - Unit AD5 assessment
	Spring	Art around the world - Explore and create art from	upcycling - What is upcycling	Cake shop - Using different materials and	Unit A2 - Personal progression plan. - Explore the skills and	Unit A2 - Personal progression plan. - Explore the skills and

		around the world Drawing and painting - Explore different ways of drawing and painting	- Upcycling to make up Art and the environment. - Earth day - Explore effect humans have on the earth - How can art help the environment	tools to create lookalike food. Masks in art - The power of masks in art - Create your own masks	behaviours needed to meet personal progression goals. - Produce a progression plan to meet intended progression goals. - A2 assessment Unit AD 8 Unit AD 8 Design a product - Produce a design for a product in response to a brief - A2 assessment feedback	behaviours needed to meet personal progression goals. - Produce a progression plan to meet intended progression goals. - A2 assessment AQA Art units - Designing a logo - A2 assessment feedback
	Summer	Artist study. - Explore the life and work of an artist Crafts - Take part in different crafts - Trip sculptures at the enclosure	Artist and art organisation study - Explore the life and work of an artist - Discover an art organisation - Trip The Curtis Museum Crafts - Sculpting - Explore sculpting with different materials	Artist and art organisation study - Explore the life and work of an artist - Discover an art organisation - Trip The Allen gallery Mood board / Vision board - What is a mood board, vision boards	Unit AD 8 Unit AD 8 Design a product, éö - Review and reflect upon the effectiveness of a designed product. - A8 assessment Btec Reflection - A8 assessment feedback	AQA Art units - Designing a logo Exam session - AQA unit feedback - Trip the sculpture park

				- Plan and create mood boards, vision boards	- Trip the sculpture park	
HUMANITIES	Autumn	Prehistory Volcanoes and The Earth	Italy Disease, doctors and discovery	Tropical rainforests, the Amazon and South America War & Peace	ELC - Crime & Punishment ELC - The Elizabethans	
	Spring	Ancient Egypt Fairtrade and chocolate	Rivers Migration and settlement	The Civil Rights Movement Extreme weather & our changing world	ELC - Study of an individual ELC - War & British Society	
	Summer	Explorers My community project	Slave trade Global citizenship & Costa Rica	Power & The Tudors Migration, Diversity & identity	ELC - The Viking Age ELC - Local History Project	
PSHE	Autumn	Personal identity and values Learning skills and teamwork Respect in school Transition Making and maintaining friendships Identifying and challenging bullying Communicating online	Managing online presence Digital and media literacy Relationship building and games Stereotypes, prejudice and discrimination Promoting diversity and equality	GCSE options Sources of careers advice Employability Mindfulness Friendship challenges Gangs and violent crimes Drugs and alcohol Assertive communication Child Criminal Exploitation (CCE) County lines	Year 1 of 2 year cycle: Managing mental health concerns Coping strategies Impact on mental health and achievement. Stigma Safeguarding Impact of transition Mental health and ill health How to get support Relationship expectations The impact of pornography Identifying and responding to abuse and harassment	

				Child Sexual Exploitation (CSE)	
	Spring	Regulating emotions Diet and exercise Hygiene and dental health Sleep Relationship building Puberty and managing change Body satisfaction and self-concept	Drugs and alcohol Introduction to contraception Resisting peer influence Online choices and influences Community Aspirations for the future Career choices Identity and the world of work Different routes after school Apprenticeships Supported internships College visits	STIs Contraception Cancer awareness First aid healthy/unhealthy relationships Consent Relationships and sex in the media	First aid and life saving Personal safety Online relationships Social action and volunteering Community cohesion Democracy and voting Nature of committed relationships Forced marriage Diversity and discrimination Extremism (focus on cults)
	Summer	Rights in the community Relationship boundaries Unwanted contact FGM and forced marriage Financial literacy Drugs, alcohol and tobacco Safety and first aid	Healthy relationships Boundaries and consent LGBTQ+ inclusivity Sexting Managing conflict Maintaining positive mental health The importance of physical activity	Financial decisions Saving and borrowing Gambling, financial choices and debt World issues Healthy masculinity Influencers Gender stereotypes	Exploring how media, peers, family, online content and wider society influence beliefs, values and decision-making; recognising misinformation, manipulation and persuasion; understanding the impact of social media, influencers and advertising; developing critical thinking skills and making informed, independent choices Understanding rights, responsibilities and democratic values; exploring equality, diversity and inclusion; recognising

				Respectful behaviour	discrimination and prejudice; examining the role of citizens in creating positive communities; developing respect for different perspectives; understanding how individuals can influence society and contribute to their local and wider communities. Democracy and voting (if not covered in spring 1)
PPD	Autumn				Managing transition to key stage 4 including learning skills Skills for becoming more independent - form filling, washing clothes, paying for items in a shop, sticking to a budget Money management Fraud and cybercrime Preparing for adult life College choices Application processes, and skills for further education, employment and career Progression CV writing
	Spring				The impact of financial decisions, debt, gambling and the impact of advertising on financial Choices Skills for employment Applying for employment Online presence and reputation (digital footprints for employment) understanding and using financial tools like bank accounts, debit cards, and online banking to manage money effectively, create budgets, and handle payments Recognising and celebrating successes Transition and new opportunities Aligning actions with goals

	Summer		Household bills, creating a budget, juggling household money Looking to the future of GRK college applications Making a plan Looking at beginning a CV	Responsible health choices Safety in independent contexts Paying bills Going into summer 2 - social skills, life skills like getting a bus, going to cafe and ordering, buying items from tesco from a shopping list, using a card, train journey, making your way independently
Health & Social Care	Autumn		Producing an activity to support Children's social and emotional needs.	Producing an activity to support Children's social and emotional needs.
	Spring		Developing a Personal Progression Plan Providing a Pre-school children's reading activity	Developing a Personal Progression Plan AQA UAS - Story Bags
	Summer		Providing a Children's reading activity	AQA UAS - Story Bags

PBL Yr 10	Autumn	Discover the 1980's		
	Spring			

	Summer					
PBL Yr 11	Autumn	Plan, build a bird hide				
	Spring					
	Summer
