Dear Parents and Carers,

Re: School Closures for Google Classroom Days

As we are sure you are aware, our Year 11 pupils will be commencing their exams later in the academic year and as part of their preparations we are completing a week of Mock exams. In order to give the pupils as real an opportunity as possible, we will be closing the school for one day so that they can complete some of their Mock exams without the usual hustle and bustle of daily school life.

Due to the nature of educational needs of our pupils, all year 11 pupils have additional access arrangements in place for the exams e.g. their own rooms, additional time, prompts, readers, scribes, rest breaks. Alongside these additional arrangements all pupils also have individual invigilators (the person in the examination room responsible for conducting the examination session). As you can imagine this takes a lot of organisation, space, staffing and time. Therefore, this requires us to shut the school to all other pupils for a day, during which online school will take place.

**The school will be closed to all pupils in Year 7, 8, 9 and 10 on:
Friday 21st November**

On this day, all pupils within these year groups will be able to access learning and live lessons using Google Classrooms. Staff are currently working hard to ensure all pupils are able to do this independently on personal electronic devices (iPads, laptops, smartphones etc.).

If your child requires a school Chromebook to access online learning at home, please contact the school office and we will ensure a Chromebook comes home the day before.

If you have any questions please do not hesitate to contact us on 01420 487706.

Thank you for your continued support.

Kind regards,

Beth Hobbs
