**Monday 7th November 2022**

Dear Parents and Carers,

We have just returned from a great visit to [Windsor Auctions](http://WindsorAuctions.com), where the owner and auctioneer Harry gave us an interesting talk on the antiques and auctions business. This is part of our Bargain Hunt project which is designed to be a fun and unique way to allow students to develop competency in Communication, Initiative and Community; all part of our [ROCCIT](#) framework for personal development.

Tomorrow, Tuesday 8th November, as part of the same project we will be visiting the Sunbury Antiques Market at Kempton Racecourse. This market has been running for over 40 years and is recognised as one of Europe's premier antiques markets.

During the visit students will be allocated a small sum of money to purchase an item of their choice. This will then be auctioned in a professional sale at Windsor Auctions at the end of November. Hopefully, all our students will make a profit, and whoever makes the most will be crowned *GR6 Bargain Hunt Champions 2022*.

Tomorrow's trip won't require any change in transport. We will depart and return via minibus within normal school hours. Students should bring a small amount of money to purchase refreshments at the market, if they wish. Packed lunches will be provided.

If you have any questions please do not hesitate to contact me at [matthew@thegreenroomschool.com](mailto:matthew@thegreenroomschool.com) or call the GR6 phone at 07723 632556.

Regards,
