Dear Parents and Carers,

### Winter Sports Kit

We have received multiple requests from our pupils for a Winter sports kit and in response, we have drawn up a list of options, attached to this letter. We'd like to implement this as soon as possible because term has already started.

This kit is optional. If you wish to purchase please let us know which option you would like for your child by completing the attached order form and returning it with cash or cheque made payable to Everyday Arts Ltd. The full kit costs £55.

Thank you very much and looking forward to hearing from you by return.

Yours sincerely,

Daniel Jacobs  
Head of Sport
