Jeans for Genes Day - Tuesday, 20 September

Dear Parents/Guardians,

On Tuesday 20th September The Green Room School Windsor will be recognising Jeans for Genes Day. We plan to fire up our fundraising engines, slip into our jeans and raise funds to help projects and programmes across the UK that build awareness of the daily challenges faced by those living with a genetic condition.

We want our pupils to ditch the trackies, reach into the back of the wardrobe and bring forth their jeans, denim jackets and shirts, have some fun and raise vital funds for the 3 million people in the UK affected by a life altering genetic disorder.

Participation is optional, but our goal is to raise as much money as possible, and pupils that do wish to participate are welcome to donate as much or as little as they like. Our recommendation is a contribution of £1 per item of denim.

Donations will be collected on Tuesday morning and all proceeds will be sent to the Jeans for Genes Campaign. If you would like more information on the campaign please visit www.jeansforgenes.org.

We will also be updating the school social media throughout the day so do keep an eye on it to find out what we get up to.

We believe this is a truly worthy cause, and we can't wait to play our part.

If you have any questions please email us at office@thegreenroomschool.com, or through the main school office phone number 01753 866711.

Regards,

Callum Flanagan

Deputy Head of School
