

Development Area 1

Kindness

Prioritise fostering effective communication among all pupils and staff, extending beyond scheduled lesson times. This initiative will be complemented by a deliberate integration of ROCCIT competencies throughout the curriculum, addressed both explicitly and implicitly.

Development Area 2

Curiosity

Developing a curiosity-rich curriculum that includes project-based and enquiry-based learning. Development of the new Year 9 curriculum and changes to the existing time table.

2025-26

Development Area 3

Change

Cultivating a strong culture of 'connection and belonging', we will prioritise meaningful everyday interactions and relationships within our school. Beyond the classroom, our community outreach aims to create valuable experiences and lasting memories through unique learning opportunities.

Development Area 4

Leadership

Cultivating a strong culture of 'connection and belonging', we will prioritise meaningful everyday interactions and relationships within our school. Beyond the classroom, our community outreach aims to create valuable experiences and lasting memories through unique learning opportunities.
