17th January 2025

Dear Parent/Carers,

Just to make you aware that next week (w/c 21st January), year 11 will be sitting their second round of Mock exams. The aim of these exams is to give pupils the chance to understand the expectations of the exams and to practice completing their work in exam conditions. This will be their second chance to practice for the exams and we will be increasing the number of papers. This time they will sit two Maths, two Science and one English paper. In their real exams in the summer they will sit six Science papers, three Maths papers and one English paper. We are gently increasing the number of exams so they are more prepared for their summer exams.

We are aiming to complete the mocks in conditions as close to the real exam as possible. When they completed the mock last time they all did brilliantly well and were able to work on their exam technique and practice the necessary skills for the subject matter. We will support and prepare them for this next round of Mock exams

Monday - Maths - 12.45 - 2.15

Tuesday - Science - 12.45- 2.15

Wednesday - Science 10.45- 12.15

Thursday - English 10 - 11.30

Friday - Maths 10.45 - 12.15

Please reassure students that this is a great opportunity for them to experience the exams and to practice and reflect upon their skill set. We will be focusing on them using the time effectively and checking their answers and persevering when they don't understand a question.

If you have any questions please do not hesitate to get in touch.

Kind regards,

Beth
