Dear Parents and Carers,

As some of you may already be aware, Thames Valley Police released an e-fit and appeal for information over the weekend in connection with an alleged sexual assault at The Swan pub during a weekend in November or December 2025.

This is deeply distressing news, and our thoughts are with the victim and those affected by this incident.

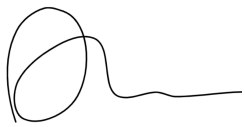

I appreciate that this news may understandably raise concerns amongst our college community, particularly given our shared use of the premises. The incident took place on a weekend, when the college was closed, and was not connected to any college activities. There is no information to suggest that anyone from our college community was involved.

I want to assure parents and carers that the safety and wellbeing of our students remain our highest priority and that our established safeguarding procedures continue to be firmly in place.

The Swan community is understandably shocked and saddened by this news. I have spoken directly with The Swan's leadership team, who have assured me that they are fully supporting the police investigation and will continue to cooperate in any way they can. GRC will, of course, also provide any assistance if requested.

If you have any questions or concerns, please do not hesitate to contact me directly.

Kind Regards,

Ashley Sheehan

Head of College
