Dear Parents and Carers,

Re: Runways End Trip

On **Monday 21st September**, we will be taking year 7, 8 and 9 to Runways End Activities Centre in Aldershot. The aim of the trip is to foster a sense of belonging for all the students, encouraging teamwork and resilience. We will be participating in canoeing in the morning and teacher led activities after lunch.

Pupils will be on the water for the morning so please ensure they come equipped with clothing in case they get wet! Suggested equipment is as follows:

- **Clothing**. Comfortable weather appropriate clothing (avoid jeans and heavy cotton as they hold water)
- **Footwear**. Old trainers or water shoes that can get wet and stay securely on their feet (no flip flops or crocs)
- **Change of clothes.** Full set of dry clothes, a second pair of shoes and a towel. Please could these be in a carrier bag so any wet clothes can be put in afterwards.

Canoeing will be carried out under the supervision of a qualified instructor and students will be required to wear a buoyancy aid which will be supplied by Runways End.

Packed lunch will be provided by school and all dietary requirements will be catered for.

This trip will be fully funded by The Green Room School and will take place within the school day so all pick up times will remain the same. Please could we ask for your support in ensuring the children arrive at school promptly to help us get away quickly.

It is a great opportunity for all students so we will be encouraging everyone to attend. Please do not hesitate to contact the school office if you have any queries.

Kind regards,

Beth
