## Spooky Bonfire Event - Wednesday 6th November 2024

Dear Parents and Carers,

On Wednesday 6th November during the school day, staff and pupils from all three of The Green Room Foundation's provisions will be celebrating the marvellous tradition of Bonfire Night. Everyone will be converging at our Kingsley site (during the school day) to share a bite to eat with colleagues and friends and bask in the glow of firelight.

This will be the first of numerous events planned for the year incorporating both our Kingsley school and our provisions at Windsor. Our aim with these get-togethers is to strengthen the links, experiences and relationships that already exist between our pupils and staff, as well as to form new ones.

Windsor staff and pupils will be joining us at GRK for a day of spooky, autumnal, bonfire activities concluding with a late lunch at our Bushcraft area and the traditional burning of the Scarecrow/Guys.

Of course, safety will be paramount throughout this event and every precaution will be taken in order to ensure a safe and enjoyable day.

Consolidating feedback from both staff and pupils following our previous bonfire events, we have decided that this year the event will run during the school day. Pupils can dress up if they would like but any dress needs to be appropriate for school, site limitations, the weather and activities of the day.

If you have any questions please do not hesitate to contact Jo Rowell at [joanna@thegreenroomschool.com](mailto:joanna@thegreenroomschool.com) or call the office on 01420 487706.

Thank you for your support.

Kind regards

Joanna Rowell
