## Showcasing students work exploring light and dark

Friday 20th January 2017

from 4-5.30pm

Come, see and experience students exploration into dark and light. You will have the opportunity to join in some workshops using lights to draw with, create your own UV canvas or make up cycled wall art that glows in the dark.

We will also be premiering a short film created by 6th form students

Explore, engage, experience, encounter and enjoy!

At the Green Room School 4a Albert Street, Windsor.
