

## FORTHCOMING EVENTS

Dates for your diary and a look ahead to what's going on at The Green Room this half term.

## 4D

"4th Dimension" is a half-hour lesson on academic days that explores topics outside the traditional English-Maths-Science curriculum, and is chosen based on staff and pupil interests. It is an opportunity for pupils to add a "4th dimension" to their education and broaden their interests.

We have refreshed this term's 4th Dimension options to align with what pupils have indicated they would like to learn. These are:

**Mondays:** True Detectives | Drama | Hospitality | School newspaper

**Tuesdays:** Big History | Hands on Mindfulness | Big Thinking | Conspiracy Theories

**Wednesdays:** "Warhammer Alliance", a look into the Marvel universe | Eco High Council | Law | Psychology.

## e-Safety

The Green Room School is reviewing their e-Safety policy and will address how pupils use ICT equipment provided by the school to maximise learning in the classrooms.

We have also reviewed our mobile phone policy. If your young person has a mobile phone, please contact the school with his or her mobile number for our records. We would also appreciate if you could remind your young person to hand in their mobile phones at the start of the day.

## Outward Bound Trip

After the success of last years GR Fest and the Swanage Trip, we are excited to announce we will be running another residential trip this term. (6th-7th Feb) For one night only we will be heading into the heart of the New Forest to stay at Avon Tyrell. An outdoor learning centre that has been entrusted to the 'Youth of the Nation'. We will be in log cabins this time (as it's a bit cold!) with lots of activities to keep us warm and give us all a great experience.

## GR6 Edge

This term our GR6 pupils will be embarking on projects to better their Communication skills. Be prepared to receive emails, circulars and social media updates from them!

## GR6 Curriculum

The A-Level business course got off to a flying start and will continue to be delivered this half term. Meanwhile, students of English Literature will be starting "Death of a Salesman".

## Dates To Note

## January

15 - Immunisation

16 - GCSE Resit results (GR6 pupils only)

28 - English Walking Talking Mocks

29 - Rewards trip

## February

Week of 3rd - Science Walking Talking Mocks

6-7 - Outward Bound Trip

Week of 11th - Maths Walking Talking Mocks

Week of 11th - English Coursework deadline

14 - National Formula 1 competition for secondary school students

14 - Last day of term

24 - INSET day

25 - Pupils return to school

## Fridays

The lower school pupils will engage in an exciting new project this term on Arts Awards Fridays - they will be making The Green Room School's own "Bond" film, using green screen, stop motion animation, physical theatre, special effects and prop making. We can't wait to show you the end-result.

## F1 In Schools

F1 in Schools is an international competition run by Formula One. Teams will design and race air powered cars down a single track.

The Green Room School's graduate Edge pupils are participating in the London South Regionals taking place at Garth Hill College in Bracknell on the 14th of February.

[Click here for more information.](#)

## Resit Results

Pupils who retook their English and Maths examinations in November 2019 can expect to receive their results on 16 January 2020. Results will be disseminated via email to both pupil and parent/carer after 10am.

If you would rather receive the results over the telephone, please feel free to call the office at 01753 866711 after 10am.

## Menu

**Mondays** - Veggie Sausage Casserole

**Tuesdays** - Fajitas

**Wednesdays** - Soup and sandwiches

**Thursdays** - Food and cookery lesson (different dish each week)

**Fridays** - Jacket potatoes

## PSHE

This term during PSHE:

Year 9s will be enrolled in a course called "Living Safe"

Year 10s will discuss Relationships

Year 11s will look at further education and career options.

As we progress with PSHE this term, we will be moving on to Sexual Relationships and Sexual Health. Although this is a very important and beneficial area of our curriculum, as parents, you have a right to withdraw your young person from these lessons. More information on this will follow.

## Thursday Switch Ups

Thursday Photography sessions for the lower school have now changed to 3D design. Pupils will be learning how to create stop-motion videos.

## Get In Touch

If you would like to discuss your young person, update us if your contact details have changed, or report an absence or illness, you can always get in touch at [office@thegreenroomschool.com](mailto:office@thegreenroomschool.com) or call 01753 866711.
