Awe trip Wednesday 30th September 2026

Dear Parents and Carers,

Awe is “a feeling of great respect sometimes mixed with fear or surprise”. It is important for us as a school to engineer moments of awe to help inspire curiosity. In order to do this we try our best to take opportunities when they arise to offer bespoke trips.

Such an opportunity has arisen. The original 1954 Godzilla film is being shown in London at the King Charles Cinema, Leicester Square. The 35mm film is of cultural significance and marks a pivotal moment in cinema history.

We will be travelling from school at 10am via train and then the underground. We will enjoy a packed lunch (students can bring their own or the school will provide lunch) and then watch the film from 12pm till 1:51pm. We will then return via train to the knoll and expect to be back around 3:30pm. Please arrange for collection from the knoll (Windsor Leisure Centre car park).

There will be no cost as the school will provide all necessary travel, food and tickets.

If you have any questions or concerns please do not hesitate to contact me
