GRC Trip: Activate Basingstoke - Monday 16th November

Dear Parents and Carers,

As part of our **Awe Trip Framework**, we design visits that give students experiences which expand their sense of self and connection to the world. On this trip we will be exploring **Collective Effervescence**, which is about feeling joy and uplift from being part of a group, by visiting **Activate in Basingstoke.**

Activate Basingstoke is a state of the art facility with a variety of active games and puzzles, there is something for everyone. If you would like more information please see the link below: https://playactivate.co.uk/basingstoke

It is recommended that students wear comfortable clothing including closed toed flat shoes like trainers.

Students are welcome to bring their own money if they would like to purchase souvenirs or food, please make sure this is either a bank card or cash, however a packed lunch will be provided by the college.

Students will arrive at GRC at the usual time and we aim to leave for Basingstoke by 10.30am on the Minibus. Students will be accompanied by Green Room staff members at all times. Students will arrive back to the knoll for the usual pick up time of 3pm.

There is an expectation that students attend the trip however if your young person does not want to attend the trip they will be expected to attend college as usual to take part in alternative activities, there will be staff on site at all times.

Please email office@thegreenroomschool.com by Thursday 15th October if your young person would not like to attend the trip.

Kind regards,

Sammy Laing
